School Ethos

Chollerton CE First School is rooted in the values of the Church of England, with a commitment to preserving and developing its religious character in partnership with the local parish and the wider diocese. The school's mission is to provide high-quality education within a Christian framework, encouraging pupils to understand the significance of faith and to promote Christian and British values.

The school emphasises the importance of mutual respect and care among everyone involved, including staff, pupils, parents, governors, and visitors. Each person is valued, and their opinions, concerns, and contributions are given thoughtful consideration.

Chollerton First School strives to create a safe, welcoming, and inclusive environment where the community plays an integral role. The school fosters a strong connection with local residents, inviting them to participate in various school events, festivals, and curriculum activities. Open and flexible communication among staff, governors, and the wider school community is central to maintaining a positive, supportive atmosphere.

By nurturing these values, Chollerton First School aims to create a space where everyone feels appreciated and involved in school life.

Our School Vision

*Be the best you can be through:
challenge, nurture, inspiration, respect, happiness,
inclusion, in a safe, loving, Christian family.*

These core values—formed with input from the entire school and local community—guide everything we do. They are reflected in our daily interactions and are central to our commitment to creating an environment where every child feels valued, respected, and supported.

Our vision is further enriched by the **parable of the Lost Sheep** from **Matthew 18:12-14**. This Bible passage resonates with our school's ethos, teaching that every individual is cherished and that no one is overlooked. The parable reflects God's love, showing that each child is important and worthy of care and attention.

The Lost Sheep

Matthew 18:12-14

¹²“What do you think? If a man owns a hundred sheep, and one of them wanders away, will he not leave the ninety-nine on the hills and go to look for the one that wandered off? ¹³And if he finds it, truly I tell you, he is happier about that one sheep than about the ninety-nine that did not wander off. ¹⁴In the same way your Father in heaven is not willing that any of these little ones should perish.

Through this passage, the children learn that each one of them is valued, respected, included, and safe.

The children know a great deal about farming and can associate with this passage and reflect that Jesus is the Good Shepherd who will inspire, challenge, nurture and keep us safe in a loving Christian family.

Mission Statement

Chollerton Church of England Aided First School is dedicated to creating a nurturing, inspiring, and inclusive environment where:

- **Every child**, regardless of their needs or abilities, is inspired and challenged to reach their full potential academically, creatively, personally, physically, morally, and spiritually.
- **Highly motivated staff** deliver a rich, creative curriculum that makes learning relevant, exciting, and engaging.
- **Children feel nurtured**, safe, and happy, allowing them to grow and develop confidence in all aspects of their lives.
- **Christian values** are woven into every activity, interaction, and relationship, shaping the character of the school community.
- **Active participation in daily worship** is encouraged, fostering strong connections with both our Church and the wider community.
- **Individuality and diversity** are respected and celebrated, ensuring that each child feels recognized and valued.
- **Children and adults alike** feel they are contributing members of a caring community, where their input and presence are valued.
- **Collaboration between staff, parents, children, governors, the church, and the local community** is at the heart of realising our vision, with all partners playing an essential role in the life of the school.

Through this mission, Chollerton First School seeks to provide an environment where every child can thrive in all areas of their development while being supported by a loving, Christian community.

SCHOOL HOURS

Morning Session:	8.45 am	-	12.00 noon
Morning Break:	10.30 am	-	10.45 am
Afternoon Session:	1.00 pm	-	3.15 pm

Parents can drop children off at the school gates. If parents have a pre-arranged meeting with a member of staff, they should come into school via the school reception door only, and sign into and out of the building.

Lunches

Nursery pupils will pay £2.30 per meal via School Money.

Children can bring a packed lunch to school if they wish.

Milk

Milk is free and available for children who are under 5 for the whole term.

Water bottles and snacks

We require you to provide your nursery child with a water bottle and will fill it up each day. Children learn best when they are well hydrated! If their water bottle becomes empty we can easily fill it up in the classroom.

We provide a healthy snack each morning. We will ask for a small contribution to help with the cost of this.

Please make sure that all your children's clothing and items are clearly named.

Absences

Parents need to telephone before 8.55 a.m. or send an email to school when a child is absent.

Alterations in routine, e.g. children going home with friends, need to be made clear by email to the school.

There is a Chollerton First School PTFA Facebook group, you are welcome to request access to this group. The page is used for general communication and sharing of school activities and useful information.

Easyfundraising

The Easyfundraising website is an excellent way for the PTFA to raise money just through people doing their normal shopping online. [Easyfundraising](#) allows you to shop direct with retailers online as you normally would, but by using the links from the easyfundraising website first, each purchase you make will generate a cashback donation to Chollerton First School PTFA.

Medication

We have a responsibility to maintain the health and safety of the pupils under our care during normal school hours or any other school event or activity. This may extend to administering medicine or taking other medical action in an emergency.

Should your child require medication, we ask that you complete an 'Administration of Medication to Pupil Form' which can be found on our website [here](#).

Internet Safety

We take every effort to ensure that the children are safe online. Access online is always supervised and our internet provider operates a filtering system that restricts and monitors all access to inappropriate material.

Dear Parents,

We are delighted to inform you that we have signed up to the online payment system **SchoolMoney**. This means that you will now have the facility to make payments for school expenses, such as trips, online with your debit or credit card.

This payment system will benefit both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home but you will also be able to access your account at any time to see if there is anything you need to pay for. **SchoolMoney** will enable us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment.

We will be using the new system to pay for school dinners, milk, trips, fruit, swimming etc. There will also be an option for Class 2 to book onto Sports Club.

You won't need to sign up to this system as this is done automatically through the school and as long as you have provided us with up to date contact details we will send you a password within the next few weeks. This password will give you access to your **SchoolMoney** account where you can pay for any items we have requested from you.

To log into **SchoolMoney**, visit the website www.eduspot.co.uk and click on the sign-in button in the top right-hand corner. In the drop-down, select the **SchoolMoney Parent Login** option and this will send you through to a page where you need to enter your mobile number, email address, the password we have sent to you, and your child's first name.

If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. Please let us know immediately if either your mobile number or email address changes.

Opt-out of Emergency Medication

Due to a change in the law (Sept 2014), we are pleased to inform you that schools are now permitted to hold emergency Salbutamol inhalers and adrenaline auto injectors (epi-pen).

We have reviewed our 'children with medical conditions' procedures and will have on site

- an emergency inhaler, for any child showing symptoms of asthma, and
- adrenaline auto injector, for any child showing symptoms of anaphylaxis.

This is a precautionary measure. You still need to provide your child with their own medication as prescribed.

We would like to notify you that if you have previously informed us that your child has asthma or anaphylaxis and has been prescribed medication, we will use the Schools Emergency medication in the unlikely event their regular medication fails to work or is missing.

If you **do not** wish for us to use the schools medication in an emergency please fill in the details below and return to school as soon as possible. Please can you ensure your child brings in a working in-date inhaler/ epi-pen for use in school that has their name and date of birth on it.
